Brooke Gensler Accepted to Notre Dame

Coronado High School Senior, Brooke Gensler, recently learned that hard work does indeed pay off as she received her letter of acceptance to her first choice school, University of Notre Dame.

Brooke has spent her high school years focused on not only getting good grades, but being a great role model as well. She has served the community by being a leader in her church youth group and creating the "Layers of Love" outreach program which provides blankets each year to the homeless.

Brooke is a National Honor Society officer as well as co-captain of the varsity tennis team. She has also excelled in softball, playing on the varsity team for the last three years. Brooke has played the piano for the past ten years and loves to knit in her spare time.

"Brooke is waiting to hear from some other schools and is still undecided about where she will go to college next year. As her dad, I couldn't be more proud of her accomplishments," said Dan Gensler.
