## The Markets

There was a spate of bad news last week, and it drove U.S. markets lower.

China's wild ride isn't over yet. The Purchasing Managers' Index, a private measure of Chinese manufacturing, came in below expectations at 48.2, according to BloombergBusiness. Results below 50 indicate the sector is contracting. That doesn't bode well for growth in China, which is the biggest global consumer of metals, grains, and energy, or the rest of the world.

"When should I claim Social Security?" This is the question that is on every retiree's mind. While there is no one-size-fits-all solution, deciding when and how to claim doesn't need to be complicated. In fact, by

focusing on a few simple factors, the decision can be easy. Here are three important things to consider.

Factor #1: Longevity

You are probably going to live longer than you think. Did you know that the longer you live, the farther out you push your life expectancy?
